

Virtual Dental Services Available!

Niagara Region Public Health's Dental Program is happy to introduce online services. Our dental team can now help keep your family's smile healthy from the comfort and safety of your own home.

You can live chat with a registered dental hygienist or certified dental assistant for all your dental related questions. Connect about:

- Brushing and flossing
- Tooth decay
- Fluoride treatments
- Dental emergencies
- Healthy Smiles Ontario (Government-funded dental program that provides FREE dental services for eligible children and youth 17 and under)

If your child has a dental emergency, you can choose to video call with a dental hygienist for a virtual assessment.

Online dental services are available Monday - Friday 9:00 a.m. - 4:15 p.m. To learn more, visit niagararegion.ca/health search "dental" or call our dental health line at **905-688-8248** or **1-888-505-6074** ext. **7399**.

*Please note, virtual assessments are only available for kids 17 and under.
