

Oakwood Eagles Update

The very successful Krispy Kreme fundraiser has now been completed! Thank you again to our Parent Council for making the hike to Toronto to pick up the remainder of the donut box orders on Tuesday! Our Oakwood community went above and beyond with this fundraiser, please know that we appreciate it!

This week our Intermediate Volleyball season has begun! On Monday, we played Winger at Oakwood and on Wednesday we played Steele Street at Steele. Our Girls and Boys intermediate teams have represented Oakwood in a positive way and we are proud of them! Way to go Oakwood Eagles! And best of luck in your games next week!!

The Oakwood Choir is also an extra-curricular that Mrs. Armstrong has started this week. I am looking forward to hearing our Oakwood Eagles use their vocal singing skills this year!

If you have a child in Grade 1-5, please make sure you go into School Cash online to sign the permission form for the Community Walk on Oct. 31st where students will be walking around the block and showcasing their costumes (if they choose to wear one)!

We had our Character Trait Assembly today and recognized students who demonstrated - Respect! The award winner recipients demonstrated the following for the month of October:

- When you interact with others you have shown them that you care about their well-being and how they feel
- Listen to others and respect differences in beliefs and opinions
- Lend a helping hand or ear and practice compassion
- You treat people kindly and use good manners
- Speak up if others around you are being disrespectful
- Respect personal space and personal property

Congratulations to our award winners!!
