

Dear Parents,

Community Crew is an organization that is dedicated to helping children throughout the Niagara Region. Since 2016, they have been working in both the DSBN and Niagara Catholic to provide a healthy brown bag lunch for children. Each week, volunteers prepare and deliver homemade lunches to children. Their goal is to be able to provide a healthy lunch to every child that needs one throughout the school year. There is no cost to your family to participate in this program.

My Child, _____

In (name of teacher's) class _____ Grade _____
