Dear Oakwood Public School Families:

Thank you for making this school year such a successful one so far. We've worked together as a school community to be engaged with learning while supporting all the COVID-19 protocols to keep our school safe.

Recognizing the increasing COVID-19 cases in Niagara, and understanding that some families may choose to keep their child(ren) home, the DSBN is offering some flexibility to this week's schedule:

Monday, December 20 and Tuesday, December 21 will be normal school days with in-person learning.

For Wednesday, December 22 and Thursday, December 23 families can choose to:

- Send child(ren) to school for in-person learning as usual

**OR**

- Child(ren) will learn from home and engage in asynchronous learning activities from the DSBN website: go to [www.dsbnschools.org](http://www.dsbnschools.org) and click on the "Learn From Home" banner

The choice to keep your child home is voluntary. Learning at home on December 22 & 23 will not impact your child's attendance record. If this sounds like the right choice for your family, please call the school office or, enter in Safe Arrival and choose "Parent Aware".

If you have any questions, please contact me at the school office.

Until then, I wish you and your family, a wonderful holiday break and all the best for a healthy new year.

Sincerely,

L. Rocco

Principal
