

— WELCOME — BACK TO SCHOOL

Hello Eagles Families,

WELCOME TO THE 2023-24 SCHOOL YEAR!

On behalf of the staff at Oakwood, we would like to welcome back all our returning students and families. For our students and families new to Oakwood, we are excited that you will be joining us this year.

We are looking forward to a new school year filled with possibilities. We know that this year will be full of new learnings, new experiences, new opportunities, and new friendships. There is a great deal of information in this week's parent communication and we appreciate the time you are giving to reading all this information!

The first day of school brings life back to the building, such as seeing smiling students eager to share their summer tales and hearing excitement in the air as students settle into their new classrooms. Thank you to Mrs. Mater and her team for the excellent job they have done getting the school ready to greet our students.

Our amazing Oakwood team of educators and support staff are here to create an inclusive, safe space where everyone feels like they belong, as we begin our 2023-24 'Learning Journey' together!

Attendance

Attendance is taken twice daily. **Please help us to ensure the safety of our students by reporting your child's absence or if they will be arriving late to school.** Students who arrive late to school (morning or afternoon) must report to the office.

How can I report my child's absence or late arrival? Whether it's an illness, a medical appointment or other important event, there are times when students may need to be away from school. Using the [Safe Arrival](#) system (you can find information on the DSNB website for Safe Arrival info), parents will be able to report daily absences, and even schedule absences in one of three ways:

1. Call toll-free before bell time: 1-866-606-5567
2. Logging on to the web portal (<https://go.schoolmessenger.ca/#/account/login>). Using this website, you can set up your account to report and schedule absences.
3. Using your smartphone or tablet. Simply download the SchoolMessenger app. The app is compatible with both Apple and Android devices.

Please report all absences prior to bell time for the current day. If your child has an upcoming appointment, you can also schedule future absences by using one of these three methods.

Student Verification Information Forms

During the first week of school, you will receive a computer printout of your child's information on file. Please check this and make any changes, fill in any missing information, and return it to the school promptly. In the interest of health and safety, it is important that students' medical and personal information is updated each year. Please let us know if any of the information changes during the school year to ensure we have the most up-to-date contact information.

RECOGNIZING DAYS OF SIGNIFICANCE

The DSBN believes in building a culture of appreciation and inclusion, where students know they are valued, respected and celebrated. In addition to this school year calendar, there is also a calendar for [Days of Significance](#) that occur throughout the year. This calendar highlights culturally-relevant events and tools to cultivate young minds to embrace their genius, appreciate our differences and disrupt oppression so we all can live harmoniously.

Please visit www.dsb.org/equity/days-of-significance-calendar to view this calendar and resources.
